TBC APP UPDATE

TBC will be discontinuing the church app soon. Over the past years, we've shifted all of our communication and resources to the website, and the app no longer reflects the tools we use for events, sermons, or updates.

This change will not affect recurring giving, and all giving will continue through the website. Those who give through the app have already been contacted. If you have questions about giving, Nicole is available to help.

Register online at trinitybible.org
